## 2027 Trial HSC & Year 11 Examinations

Dear Deputy Principal/Curriculum Coordinator,

As you are aware, the quality of the Trial HSC and Year 11 examination papers is very important for both staff and students at your school.

***Professional Educational Materials (PEM) is a company which is committed to providing Trial HSC & Year 11 examination papers of a very high standard***.

Our papers are written by highly qualified and experienced teachers, many of whom are Head of Departments and HSC markers.

Our papers are emailed in easily editable Microsoft Word format so that staff can modify them to suit their own circumstances, depending on whether they have finished the course, etc.

Each paper has provided full marking schemes and solutions, syllabus references and course outcomes, in short, all that is required to satisfy NESA requirements with the minimum of time input from your staff.

I have included multiple copies of this letter which I would appreciate if you could give to each of your Heads of Department.
